Loan; Terms of Repayment. In consideration of the making of a loan by Secured Party to Debtor for the purpose of financing the Equipment specified above (the "Loan"), Debtor promises and agrees to pay to the order of Secured Party, at Secured Party's address stated above or at such other places as Secured Party may from time to time designate in writing, the principal amount of the Loan, together with interest calculated as hereinafter provided. Subject to Debtor's right to prepay such principal amount in whole or in part as hereinafter provided, Debtor shall pay such principal amount together with interest thereon in consecutive monthly installments, each in the amount set forth above under the heading "Amount of Each Repayment Installment Prior to Final Repayment Installment," due and payable on the "Due Date of First Repayment Installment" set forth above and on a like date of each calendar month thereafter until the Loan is fully repaid; provided, however, that the last such installment shall be in the amount set forth above under the heading "Amount of Final Repayment Installment" or (if greater) the amount of the then outstanding principal balance of the Loan together with interest thereon.

Interest. Interest shall be calculated on the basis of a year of three hundred sixty (360) days. Each installment shall include all interest accrued through the due date.

Prepayments. After one (1) year from the date of this Agreement, the outstanding principal balance of the Loan may be prepaid in whole or in part at any time, together with all interest and late charges accrued through the date of prepayment and a prepayment charge calculated as follows: one percent (1%) of the principal amount prepaid multiplied by the number of years or fraction thereof remaining under the term of this Agreement. Partial prepayments shall be applied against principal installments in their inverse order of maturity. Except as provided herein, the Loan may not be prepaid.

notice thereof to Secured Party within thirty (30) days from the date of such relocation; and (b) either the premises in which such Collateral will be installed will be owned by Debtor free of any liens or encumbrances, or (ii) if not owned by Debtor free of liens or encumbrances, the owner of such premises and/or the holder of any such liens or encumbrances on such premises shall have consented and acknowledge the superiority of Secured Party's interest in such Collateral.

Indemnification. Debtor shall indemnify Secured Party against all claims arising out of or connected with the ownership or use of the Collateral.

Motor Vehicles. If the Collateral consists of or includes motor vehicles or other equipment for which there is a certificate of title evidencing ownership thereof, Debtor shall forthwith cause each certificate to be endorsed over and the lien of Secured Party to be noted so as to show Secured Party's interest, and Debtor shall deliver forthwith each such certificate to Secured Party.

Taxes. Debtor shall pay promptly when due all taxes, charges and assessments that are or may become a lien on the Collateral or any part thereof, except to the extent that the same are contested in good faith and by appropriate proceedings.

Financial Statements. During the term of this Loan, Debtor (i) shall furnish Secured Party annual balance sheets and profit and loss statements of Debtor and of any guarantor of Debtor's obligations hereunder within one hundred twenty (120) days after the end of each of Debtor's (and any guarantor's) fiscal year, and (ii) at Secured Party's request, shall furnish Secured Party all other financial information and reports reasonably requested by Secured Party at any time, including quarterly or other interim balance sheets and profit and loss statements of Debtor and of any such guarantor. Debtor shall furnish such other information as Secured Party may reasonably request at any time concerning the Debtor and its affairs, including without limitation information concerning the Collateral. Debtor represents and warrants that all information furnished and to be furnished by Debtor to Secured Party is accurate and that all financial statements Debtor has furnished and hereafter may furnish to Secured Party, including operating statements and statements of condition, are and will be prepared in accordance with generally accepted accounting principles, consistently applied, and reasonably reflect and will reflect, as of their respective dates, results of the operations and the financial condition of Debtor and of any other entity they purport to cover.

Reimbursement for Expenses. At its option, and with no obligation to do so, Secured Party may (i) if an event of default exists, discharge taxes or other encumbrances on the Collateral, or pay for the repair, maintenance and preservation of the Collateral and (ii) ten days after notifying Debtor of Secured Party's intent to do so, arrange and pay for insurance on the Collateral. Debtor agrees to reimburse Secured Party on demand for any payments so made; Debtor also agrees to reimburse and pay to Secured Party on demand all expenses incurred or paid by Secured Party in perfecting the security interest granted hereunder and in collecting the Indebtedness and in protecting or enforcing Secured Party's rights under this Agreement, including but not limited to reasonable attorney's fees and legal expenses. Until Debtor makes such reimbursement, the amount of all such payments and expenses, with interest at the rate then applicable to principal installments of the Loan not paid when due, from the date of payment until reimbursement, shall be added to the Indebtedness and shall be secured by the security interest granted by Debtor under this Agreement. Nothing in this paragraph relieves Debtor of the duty to care for, insure and protect the Collateral and Secured Party's interest therein and to pay tax on or related to the Collateral, or of any other duty.

Sale or Replacement of Collateral. Debtor shall not sell or replace any item or part of the Collateral without the prior written consent of Secured Party.

"Default Rate" shall be a per annum rate of interest equal to (i) fifteen percent or (ii), if less, the highest rate of interest permitted by applicable law. Secured Party may, at its option, apply late payments (either in full or partial) in the following manner: first to interest, then to principal, and finally to late charges. To the extent permitted by applicable law, Debtor shall pay interest on delinquent principal installments on demand regardless of whether or not Debtor's failure to pay any such installment when due is or becomes a default hereunder and regardless of whether or not Secured Party proceeds under the "Remedies" provisions hereof or takes any other action, and demand for and collection of interest on such overdue installments at the Default Rate shall not be deemed a waiver of default or of any other remedies or rights.

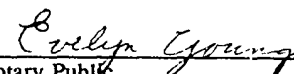

Events of Default. Debtor shall be in default under this Agreement upon the happening of any of the following events or conditions, each of which is an event of default:

1. Default shall be made in the payment of any installment of the Loan, or in the payment of any other Indebtedness, when and as the same becomes due and payable, whether at the stated maturity thereof or by acceleration or otherwise, and such default shall continue unremedied for ten (10) days; or
2. Default shall be made in the due observance or performance of any terms, covenants or agreements to pay Indebtedness, and such default shall continue unremedied for ten (10) days after written notice thereof is given by Secured Party to Debtor; or
3. Any representation or warranty made by Debtor in this Agreement, or any statement or representation made in any certificate, report or opinion delivered pursuant hereto, or in connection herewith, shall prove to have been incorrect in any material respect when made; or
4. A default exists under any other agreement or instrument of Debtor's with or in favor of Secured Party or any direct or indirect affiliate of Secured Party; or
5. The Collateral shall be lost, stolen, substantially damaged, destroyed (unless (i) such occurrence is fully covered by insurance, and (ii) the Loan is fully repaid within 30 days after such occurrence), or shall be sold or encumbered; or Debtor's rights in the Collateral shall be voluntarily or involuntarily transferred, by way of sale, lease or creation of a security interest, or by way of attachment, levy, garnishment or other judicial process, or otherwise; or
6. Debtor shall become insolvent or be generally unable to meet its obligations as they mature, make an assignment for the benefit of creditors, admit in writing its inability to pay its debts as they mature, or suspend the operation of its present business; or
7. A trustee, receiver or custodian shall be appointed for Debtor or for a substantial part of its property without the consent of Debtor and to be discharged within thirty (30) days; or
8. Bankruptcy, reorganization, arrangement, insolvency, or liquidation proceedings shall be instituted by or against Debtor, and, if instituted against Debtor, be consented to or remain undismissed for a period of thirty (30) days; or
9. An event described in Section 6, 7 or 8 shall occur with respect to any party who is guarantor or surety for the Indebtedness; or
10. Any default shall be made by Debtor in any obligation for the payment of borrowed money or capitalized leases or any such obligation shall become or be declared to be due and payable prior to the original stated maturity thereof; or
11. Liquidation or dissolution of Debtor; or
12. Sale, transfer or exchange, directly or indirectly, in one or more transactions, of a controlling stock interest in Debtor or the suspension of Debtor's present business; or
13. The Pension Benefit Guaranty Corporation shall commence proceedings under Section 4042 of the Employee Retirement Income Security Act of 1974 to terminate any employee pension benefit plan of Debtor; or
14. The attempted repudiation of any guaranties for obligations of Debtor to Secured Party.

Remedies. Upon any event of default and at any time thereafter, Secured Party may declare all the Indebtedness immediately due and payable in full (unless such event of default comprises one or more of the events described in paragraphs 7 or 8 above, in which case all the Indebtedness shall
